Skin Assist - Authorised Text

SIZE: 60ml

SERVES: 60 - 2 month's supply

DESCRIPTION

Mushify's Skin Assist is made from specially formulated Tremella, Hyaluronic Acid & Collagen Elixir, designed to make your skin feel and look refreshingly healthy.

- ✓ Helps with skin elasticity from anti-inflammatory and antioxidant polysaccharides.
- ✓ Tremella is high in vitamin D and prebiotics and N-acetylglucosamine, documented for improving gut health.
- ✓ Help your body flush out toxins with Glucuronic acid found in Tremella, often compared to Kombucha with its detoxifying effects.
- ✓ High dose Hyaluronic acid and Collagen helps keep your skin hydrated and plump for a true skin glow up.
- ✓ Naringin, a flavonoid in grapefruit extract, has been shown to increase bioavailability.
- ✓ Tastes great making sublingual dosing easy.
- ✓ Packed with 1.8kgs of Tremella fruiting body in every bottle for superior potency and value for money.
- ✓ Formulated with an Australian nutritionist.

Mushify takes pride in using a 30:1 whole fruiting body mushroom dual extract in all their products, up to 10 times stronger than most of their competitors. This means with every serve, you are getting 30 grams of Tremella mushroom, with a total of 1.8kg per bottle. Mushify's 30:1 extraction ratio is achieved through an alcohol-free dual extraction method using glycerin and water. This ensures you get all the health benefits, without the toxins that alcohol extraction brings.

You can be sure that Mushify's products are: all natural, contain no fillers, no grains, no alcohol, no artificial ingredients, no preservatives, non GMO, gluten free, dairy free, thoroughly tested for heavy minerals and microbes and made from whole fruiting bodies, not mycelium.

The collagen used in Mushify's Skin Assist is derived from marine sources and is not vegan.

Mushify is proudly Australian owned & operated.

DIRECTIONS

Boost your nightly skin-care routine with a serving (1mL) of Mushify's Skin Assist mixed into your favourite drink or held under the tongue for maximum absorption.

Store in a cool, dry place away from sunlight.

INGREDIENTS

Ingredients per 1ml serve:

- 1000mg Tremella dual extract (Tremella Fuciformis) (30:1 30 grams dry fruiting body equivalent).
- 100mg Grapefruit extract (Citrus x paradisi).
- 2000mg Collagen.
- 120mg Hyaluronic Acid (Hyaluronan).

Other ingredients: Vegetable Glycerin, Distilled Water.

Carefully sourced from the mountainous regions of Shaanxi in China. China has been using medicinal mushrooms for many thousands of years and have mastered the art of growing and nurturing them meticulously to be respectful to the beautiful land around them.

Important: Grapefruit Extract Alert

Mushify products contains grapefruit extract, which can interact with a wide range of medications, including but not limited to certain cholesterol-lowering drugs, blood pressure medications, and some psychiatric medications. We recommend that you consult with your healthcare provider before using Mushify products if you are taking any medication.

DISCLAIMER

These statements have not been evaluated by the TGA or FDA. If pregnant or breastfeeding, please consult with your healthcare practitioner before implementing into your diet.

WHAT TO EXPECT

Mushify elixirs absorb in around 30 minutes or even faster depending on consumption method.

After consistent prolonged use is where Mushify shines in improving your core health journey, helping create a fruitful and confident day to day through an unbeatable routine utilising synergistic combinations of science backed ingredients.

Oh and, did we mention you'll save space in your supplement cabinet?
